

**Department Of Economics**  
**University Of North Carolina – Chapel Hill**  
**Application for Graduate Study**

**Abstract of Mathematics, Economics, Statistics, and Other Relevant Courses**

INSTRUCTIONS: Please list your mathematics, statistics, economics, and other relevant courses.

Applications received by January 10, 2017 are considered for all forms of financial aid. If you are in school in the fall of 2016 and your grades will be available by January 10, 2017, then we would strongly prefer that you wait for your fall grades before submitting. Otherwise submit the forms by January 10, 2017 with no grades for your fall courses. Students who complete their applications after January 10, 2017 will be considered for admission but are not necessarily considered for all forms of financial aid.

You may type the information on the form or fill in by hand and scan. If you scan the form, be sure to check that it is legible.

**Example:**

**Mathematics Courses:** *Please list courses in reverse time order. Include courses for which you are registered in the spring of 2017. Add additional rows/pages as necessary.*

<b>Course Number</b>	<b>Course Title (&amp; short description if the title is not descriptive)</b>	<b>Grade</b>	<b>Sem-ester*</b>	<b>School</b>
444	Ordinary Differential Equations		S17	UNC-Chapel Hill
532	Math 6 (Introductory Real Analysis)	B+	Su16	University of Wisconsin -- Madison
320	Math 3 (Multivariable Calculus)	A-	F14	UNC-Chapel Hill

\* F14 denotes fall semester 2014, S17 denotes spring semester 2017, and Su16 denotes summer 2016. Schools on the quarter system often denote the quarters as fall, winter, and spring for which you may use F16, W16, and S16.

**Applicant's Name (Last Name, First Name):**

**Mathematics Courses:** *Please list courses in reverse time order including courses for which you are currently registered and perhaps registered for the next semester. Add additional rows/pages as necessary.*

<b>Course #</b>	<b>Course Title (&amp; short description if the title is not descriptive)</b>	<b>Grade</b>	<b>Sem-ester</b>	<b>School</b>

**Applicant's Name (Last Name, First Name):**

**Statistics Courses:** *Please list courses in reverse time order including courses for which you are currently registered and perhaps registered for the next semester. Add additional rows/pages as necessary.*

<b>Course #</b>	<b>Course Title (&amp; short description if the title is not descriptive)</b>	<b>Grade</b>	<b>Sem-ester</b>	<b>School</b>

**Applicant’s Name (Last Name, First Name):**

**Economics Courses:** *Please list courses in reverse time order including courses for which you are currently registered and perhaps registered for the next semester. Add additional rows/pages as necessary.*

Course #	Course Title (& short description if the title is not descriptive)	Grade	Sem-ester	School

**Applicant's Name (Last Name, First Name):**

**Other Relevant Courses:** *Please list courses in reverse time order including courses for which you are currently registered and perhaps registered for the next semester. Add additional rows/pages as necessary.*
