ASSIGNMENTS

The primary textbooks are *Russian Economy from Lenin to Putin* and *Kremlin Strikes Back: Russia and the West after Crimea's Annexation*. Students are responsible for the entire works, even though class coverage will be selective. Supplementary readings including those pertinent to the midterm and final exam will be indicated at the appropriate time. There is no rigid schedule. It will unfold in the fullness of time.

COURSE OUTLINE

This course will concentrate on Russia's post-Soviet evolution and the current conflict between Russia and the Ukraine. All the material described will be covered, but pre-Soviet aspects will be interwoven into the narrative instead of being treated chronologically.
