

Carolina Economics Club Career Workshop

Carolina Economics Club invites you to hone in on your career development skills with this two-part workshop series with Dr. Petranka of Duke's Fuqua Business School! Learn how to write a resume that tells a story and then how to portray that in your interview process. At least 1 out of 2 of these events must be attended to attend the Career Trek in November. *[note: the first event was on 10/24, but part 2 is on 10/31]*
