

Now Hiring: Fed Reserve Bank of Kansas City

The Federal Reserve Bank of Kansas City is recruiting for the position of Research Associate (RA). The Department conducts innovative analysis and research on a variety of topics, including international trade, macroeconomics, monetary policy, labor economics, fiscal policy, and payments systems. The Department has openings for RAs to start mid-summer 2024.

To Apply:

- Click [here](#) to apply.
- Please attach a **resume, cover letter, and unofficial transcript copy**. Incomplete applications will not be considered.
- Generally, non-U.S. citizens are eligible to apply if they are able to obtain the legal status to work in the U.S. for at least two years without sponsorship from the Bank. F-1 visa holders with STEM OPT extension are eligible to apply.
- Please apply between **September 19, 2023** and **November 30, 2023** to be considered. We will review applications on a rolling basis, so applying early is recommended.
- Applications will be pre-screened prior to interview selections. You will receive notification if you have been selected for a phone interview.
